DUCK HUNTERS DAY – DIRECTIONS TO LOWER KAITUNA WETLAND

Access to this wetland is no longer via Pah Road, as depicted on older version maps.

As a result of the newly constructed Eastern Arterial Route, access to the Lower Kaituna Wetland is;

1. Turn into Maketu Rd off SH2 (Te Puke highway) (by Kiwi 360)
2. Go under new motorway bridge
3. Immediately after the bridge tunnel turn left onto (new section) Te Tumu Rd.
4. Follow the Te Tumu Rd until 'T' junction and turn left into Kaituna Rd.
5. Continue to junction with Pah Rd – reserve car park immediately on right.
